

You're invited to a virtual information session...

Upper Santa Margarita River Watershed Stormwater Resource Plan Call for Projects!

- **Hear about development of the Upper Santa Margarita River Watershed Stormwater Resource Plan**
- **Learn how to submit a project for inclusion in the Plan**

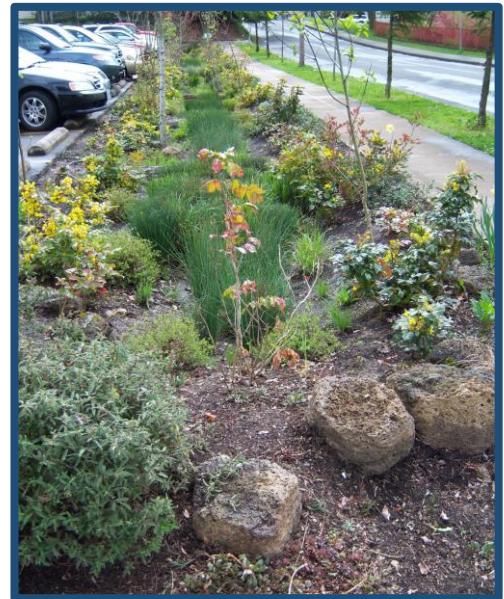

WHEN: Tuesday, May 21, 2019, 2pm-3pm

WHERE: Virtual information session available via conference call and screen share.

Join online at

<https://meet.lync.com/woodardcurran/dflor/es/9ZRHR220> or by phone at (213) 223-9490, conference id: 50867520#

As part of the Upper Santa Margarita River Watershed Stormwater Resource Plan (SWRP), we invite stakeholders to submit multi-benefit stormwater management projects for inclusion in the SWRP. Forms are available at <http://rcflood.org/npdes/SantaMargaritaWS.aspx>, and are due by **Friday, May 31st**. More information will be provided at the information session.

This meeting is sponsored by:
